Air St. Luke's Membership Agreement

By becoming a member, I understand that:

- Air St. Luke's Membership is not an insurance or investment program and has no guaranteed benefit. The purpose of membership is to support Air St. Luke's.
- **The membership benefits are for me, my spouse or domestic partner, and any unmarried dependent children, claimed on my income tax return and listed on the enrollment form. Dependent children must be younger than 19, or younger than 24 and a full-time student claimed on my income tax return. Non-qualifying dependents will need their own membership.**
- The benefits of Air St. Luke's Membership cover air ambulance and ground ambulance charges for medically necessary services **provided by Air St. Luke's or partnering affiliates only. Local 911 emergency ground ambulance response is not included.**
- Medical necessity can only be determined by a physician or EMS personnel.
- Reciprocity among partnering member programs is subject to the reciprocating program's rules.
- Both ground and air emergency medical transports are based on medical need, not membership status. Not every illness or injury requires air transport. Patients will be transported to the closest, medically appropriate facility as determined by a physician or emergency personnel.
- New member enrollment and benefits take effect three days (72 hours) after receipt of a completed enrollment form with payment and continues for one (1) year thereafter, unless purchasing multiple year or lifetime membership.
- Per government regulations, individuals covered by Medicaid are not eligible and should not apply for membership.
- I transfer directly to St. Luke's my rights to insurance payments due to me for air or ground ambulance transport. Such payments shall not exceed Air St. Luke's regular charges. I will cooperate with Air St. Luke's in obtaining any insurance payments that are available to me. Failure to provide necessary insurance information or failure to cooperate in obtaining insurance payments, may void any Air St. Luke's Membership benefits.
- The Air St. Luke's Membership benefit is secondary to all other insurance payments.
- Conditions that are the result of being engaged in an illegal occupation, commission or attempted commission of an assault, or other illegal act are excluded from receiving membership benefits.
- While every reasonable effort will be made, service cannot always be guaranteed due to weather conditions or commitment to another transport.
- Memberships are non-refundable, non-transferable, and may not be assigned to other individuals.
- Proof of membership is not required at the time of transport.
